

Friends of Barnoldswick Church of England Primary School Chair's Report

Prepared by Clare Foster September 2021 – July 2022

This was our first year since the pandemic affected our fundraising efforts, although adaptations had to be made due to the on-going school roof work impacting on our ability to use school resources for some events. This did allow for the introduction of cake bakes and the art gallery event, all of which were very successful.

These new events alongside other regular ideas allowed for an excellent year of fundraising and the ability for the School to use funds to enable the children to access activities such as school trips again.

This is my first and final Chair report before I step down as Chair at the AGM in September 2022. I have enjoyed being Chair and am delighted that we have been able to raise funds that have contributed to the children's enjoyment of school.

I would like to thank all the members and volunteers for their hard work, dedication and commitment to the PTA. I hope going forward it can continue to grow.

I would also like to thank Mrs Ellis, Mrs Kemp and the teaching staff for their assistance over the school year in organising events.

Included is a breakdown of fundraising events and monies raised.
